

**Budget Council
Agenda
Monday, August 27
1-3 pm
202 Tigert Hall**

1. Explanation of how the University arrived at the current budget cutback figure of around \$34 million and how these are being allocated to the units (colleges) across campus. Ed Poppell
2. Action plan for creating and administering the "annual survey on faculty budget and resource allocation review activities" as proposed in the Senate Budget resolution of March 16, 2006.
3. Decision on what role we will play in the dissemination of the Delaware Report
4. Discussion on how to proceed with the FAQ section of our Web site.
5. Final input on the Council in Review column for Senate newsletter
6. Other business.
