**346 Reitz Union**  
**Agenda**

Approval of minutes: March 5 and May 30, 2007

Saeed Khan, *Chair*

Chair's Comments

Saeed Khan, *Chair*

(Reports from meetings of the Senate Steering Comm and Research Policy Comm)

Comprehensive Look at Compliance

Tom Walsh, *Liaison*

(As one step in a comprehensive look at compliance, Policy Council discussed having a small group of faculty act as a focus group, or advisor group, to give us input on a broad range of compliance topics. Tom is contacting a number of faculty members for this and as many of them as can make the schedule will attend to meet the Council members and develop the plan for their input.)
