

R. Elaine Turner, Associate Dean

MEMORANDUM

TO: Graduate Council

FROM: R. Elaine Turner, Associate Dean
College of Agricultural and Life Sciences 

CC: Ricky Telg, Chair, CALS Curriculum Committee
Mark Rieger
James Fant

DATE: 2 October 2009

SUBJECT: CALS Submissions to Graduate Council

The College of Agricultural and Life Sciences Curriculum Committee recently approved the curriculum change listed below. This is now presented for consideration by the Graduate Council. Supporting documentation is provided.

1. Request to terminate the Master's degrees in Dairy Science and Poultry Science, effective January 1, 2010. Dairy Science and Poultry Science were merged into a single master's degree in 1995. This program was then merged into the master's degree in Animal Sciences in 2000. No formal request to terminate these programs was initiated at the time. This request is to correct that oversight.
