

Welfare Council
October 29, 2009
Minutes

Attendees:	Shawn Kneipp
Tony Offerle	Kathy Light
Mary Ann Ferguson	Kathy Long

The meeting was called to order at 8:50 AM

The council discussed the proposed language for the regulation regarding a layoff unit as drafted by the University Constitution Committee.

Mary Ann Ferguson moved to suggest to the Constitution Committee that non tenured/permanent status employees shall not be laid off if a non tenured employee is in the unit and that one person will only constitute a layoff unit if that employee performs an area, program or other level of organization at the university.

Ask constitution committee to review language and consider the two principles the welfare council feels are important.

Tony Offerle will draft these principles and send to Amelia Bell who will forward to the Constitution Committee.

The meeting adjourned at 9:31 AM
