Re: Discontinuation of the BSBA Majors in Real Estate and Insurance

The Warrington College of Business Administration has approved the discontinuation of the following BSBA majors:

***Bachelor of Science in Business Administration with a Major in Real Estate***  
***Bachelor of Science in Business Administration with a Major in Insurance***

Neither one of these programs currently has degree seeking students. The real estate major was last conferred in Spring 2001. The insurance major was last conferred in Fall 2004.
