

Senate Nominating Committee
March 7, 2006
3:00 pm – 5:00 pm

Minutes

Present: Chris Batich, Doug Cenzer, Stephen Holland, Mike Katovich,
Carol Ritzen Kem, Chair
Absent: Elaine Turner, Gail Sasnett

Nomination packets for Senate Standing Committees and Joint Committees were distributed to members. Those in attendance reviewed the vacancies for election and appointment to the committees and began preliminary discussion of nominees. It was clear that some additional nominees were needed for one or more committees and members of the nominating committee agreed to begin to recruit as needed.

Three members of the committee (Holland, Katovich and Kem) agreed to meet during spring break week to review progress to date and to add in any additional nominee names provided by committee members prior to the break in preparation for the next full meeting of the committee.

Meeting adjourned at 5:00 pm.
