

**University of Florida  
Office of Accreditation and New Degree Programs**

**New Degree Program Pre-Proposal Form**

This form should be used to request the inclusion of new degree programs in the University of Florida Master Plan. New programs are submitted with a one- to two-page description of the proposed new academic program and address the following points:

1. Name of the program and proposed degree (e.g. Chemistry, B.S.)
2. Description and rationale
3. Relationship to existing campus programs
4. Role of proposed program in fulfilling campus academic plan
5. Anticipated resources
6. Planned implementation date
7. SUS institutions offering similar programs and relationship of these similar programs to the proposed program.

If a Bachelor's degree program do you anticipate:

1. Requesting exception to the 120 credit hours to degree as required by state statute?       Yes       No
2. Requesting limited access status?       Yes       No
